

Wine for Water 2019

July 25, 2019

Orlando Science Center, Orlando, FL

www.WineforWaterCFL.org

Dear Potential Wine for Water Sponsor:

Thanks again to all of our Sponsors who helped make last year's 10th Anniversary Wine for Water Event a special evening and a tremendous success. Also, welcome to those potential sponsors who are becoming aware of this event, and who are interested in learning more! Well over 350 people attended the event last year, raising a record \$60,000 for Water for People.

Water is essential to life. For our basic health and wellbeing, we all need 5 to 13 gallons of safe, clean water. Yet, there are over 780 million people without access to improved drinking water and 2.5 billion people lacking adequate sanitation. Water For People is a 501(c)(3) nonprofit organization committed to helping communities in developing countries by supporting locally sustainable drinking water resources, sanitation facilities, and health and hygiene education programs.

On July 25, 2019, Region III of the Florida Section of American Water Works Association (FSAWWA) will host their annual event benefitting Water For People. Learning from last year's record-breaking 10th Anniversary Event, we will continue the new game room and electronic silent auction. More information about the event is located at www.WineforWaterCFL.org.

Last year we set a record by raising over \$60,000 last year. We want to prove that last year was not a fluke, so our goal this year is to raise \$75,000 in sponsorships. We hope that you will partner with us to meet this goal. Information on sponsorship levels is attached.

We're excited about creating a new "Fellow" sponsorship level, giving potential sponsors more flexibility and previous Advocate sponsors a **great** opportunity to STEP UP the sponsorship. This year we will have special recognition for new sponsors and STEP UP sponsors that increase their level of support.

Please take the time today to commit to supporting the 2019 Wine for Water Event.

On behalf of all the communities served by Water for People, we thank you in advance for your support.
